
GRACE EPISCOPAL SCHOOL ATHLETIC BOOSTER CLUB

Booster Club Application

The Grace Episcopal School (GES) Athletic Booster Club needs your support. This organization is the foundation of the GES athletic program for your children, the young athletes of the Gator community. Anyone who has an interest in supporting the student athletes of GES is encouraged to join the booster club. Your support will enhance the athletic programs at GES.

Booster Club funds allow the GES Athletic Department to purchase uniforms, equipment, and supplies for the school's athletic teams, cheerleader squad, and dance line. These funds will supplement the athletic budget – a budget that includes entry fees, transportation, officials, and coaching stipends. The Booster Club funds allow our student athletes additional opportunities to keep them competitive.

We need your active membership and participation in the Booster Club. Annual Booster Club Family memberships are \$40.00. We also need your input at meetings to decide how that money is spent. Check the GES web site at <http://www.graceepiscopal.org/> for time and location of meetings and sporting event schedules.

No school sports program can be successful without the support and assistance of the parents of student athletes. Thank you in advance for your many contributions throughout the sports season – from driving your children to and from practice, to helping sell tickets and concessions at games. Without you, our coaches could not continue to challenge our student athletes to excel in and out of the classroom.

Please help our athletic program continue to excel by contributing your support to the GES Booster Club. Every GES Athletic Booster Club member is invited to attend our meetings, held in Lowery Hall at 6:00 p.m. on the second Wednesday of September, January, and May. An email reminder will be sent to each member prior to the meetings.

Alycia Varytimidis
Athletic Director
